Benefiting:

You are invited on a daring adventure.

The Sharing Center will embark on an exploration of new frontiers where hardships, hunger and homelessness are a thing of the past during our 3rd annual Share the LIGHT Gala on Saturday, August 19.

You can join this daring adventure to alleviate poverty in our local communities by supporting this year's intergalactic event where our goal is to raise \$300,000 to help bridge the gap for families and individuals on their path back to stability.

Funds raised will change lives for those experiencing hunger and homelessness in Central Florida through our core model of service - Finding Hope, Creating Paths, and Achieving Growth. No matter where someone is on the spectrum of poverty, funds from The Sharing Center's Share The LIGHT Gala will provide needed resources when they need it most.

You have an opportunity to become part of making a huge community impact by supporting this year's event with a donation to our silent or live auction.
